

SOUTHSIDE SOCCER CLUB SCHOLARSHIP APPLICATION

Financial assistance is available to assist those players who are not able to afford the total costs associated with playing soccer and will be considered on a first come, first served basis. Once the financial assistance funds are gone for a particular season, no more aid can be given.

We will consider many factors when evaluating eligibility for financial assistance. Please submit a paragraph briefly stating all information you believe to be relevant. Submissions will be accepted in English or in Spanish. Applications for financial assistance must be made by a player's parent or guardian. Financial assistance applications will be held in confidence between the parent/guardian and the Scholarship Committee.

Two levels of scholarship will be awarded: 50% of dues for players eligible for a school district free lunch program and 30% of dues for players eligible for a reduced lunch program (proof of eligibility required). Additional scholarship award may be granted at the discretion of the Scholarship Committee.

Requests for assistance are due within two weeks from the first day of Classic tryouts in the spring. Please remember that aid will be granted on a first-come, first-served basis, based on the acceptance of each requestor's reason for eligibility.

It is expected that a family receiving financial assistance will be willing to volunteer to assist either the club or their team by helping to maintain fields, assisting at Chinook Cup, registration, or other volunteer opportunities. Please let us know if there are circumstances that would prevent family members from helping in this way.

Financial assistance to a player/family may be terminated if the financial situation is resolved, funds become unavailable, or if the player is deemed in conflict with the Club/Team requirements for player commitment or behavior. We expect all of our players to demonstrate **honesty, integrity, sportsmanship, discipline, and teamwork**. If the player receiving scholarship funds does not demonstrate these characteristics at any point during the season, the scholarship will be terminated at the discretion of the Scholarship Committee.
