

CF Tigard Elementary

Field #1 is inside the track and can be divided into several field spaces depending on the age groups. Your practice area should be roughly $\frac{1}{4}$ the size of your game field.

Field #2a,b is 23 yds X 60

Field #3a,b is 23 yds X 60

Field #4a,b is 23 yds X 60

(you can determine the sizes of the smaller areas by using these as a guide.
